

Estd. 1972

# Sunbeam English School, Bhagwanpur

SESSION :- 2019-20

## PHYSICS ACTIVITY

NAME – *Sumit Gupta*

CLASS – XII E

Roll NO –

SUBMITTED TO – *Ranbijay Sir*

# CERTIFICATE

*This is to certify that **Sumit Gupta** of class XII E has completed the physics project entitled “**LDR(Light Emitting Diode)**” under the guidance of his physics teacher **Mr. Ranbijay Sir**. The progress of the project has been continuously reported and has been acknowledged consistently.*

# Acknowledgement

I would like to express my thanks of gratitude to

My teacher **Mr.Ranbijay Sir**

As well as our Principal **Mrs.Gurmit Mam** who gave me a special oppportunity to do this wonderful project on the topic in **LDR (Light Emitting Diode)** who also helped me in doing a lot of research and I came to know about so many things I am really thankful too my teacher.

**Sumit Gupta**

# Acknowledgement

I would like to express my thanks of gratitude to

My teacher **Mr.Arun Sir**

As well as our Principal **Mrs.Gurmit Mam** who gave me a special oppportunity to do this wonderful project on the topic in **Tensile Strength of Fibre** who also helped me in doing a lot of research and I came to know about so many things I am really thankful too my teacher.

**Sumit Gupta**

# CONCLUSION

After doing this project I  
learned a lot more about *Tensile*  
*Strength of Fibre* deep much  
about that by using a blog to  
post and record information. I  
have researched on, I was able  
to learn from my other  
classmates who are in the group.
